Arizona State University   Tempe, AZ
Materials Handler   09/2017 – Present

- Communicated with customers daily while performing my regular duties.
- Worked in a team that was split up to handle various routes, sometimes was paired up to complete large deliveries as a duo or team.
- Ensured that all packages handled throughout the day were accounted for and tracked and reported any errors to management.
- Stamped and mailed out a large assortment of postage and items that were picked up or dropped off throughout the day.
- Worked with third party delivery drivers to get the proper packages to their right destinations.
